Voting instructions:

I/we authorize Innovatics to register my/our votes with the shares I/we own/represent in each of the below-listed items on the agenda of the meeting as indicated with a cross (X) below.

If no voting instruction has been indicated below, or if there are more than one voting instructions on the same item, or if other text or markings than a cross (X) have been used to indicate a voting instruction, or if a shareholder has voted “Against/No” on an agenda item that requires a counterproposal (i.e. agenda items 8 and 11-15) this will be interpreted to mean that the shareholder's shares should not be taken into consideration in the agenda item in question. The shareholder's shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.

I/we understand that if I/we give advance votes as a representative of an entity (incl. estate), the legal representative(s) of the entity or a person authorized by the entity must provide necessary documents to prove the right to represent the entity (e.g. Trade Register extract or a certified copy of a board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the Annual General Meeting.

It is recommended that a Finnish book-entry account holder votes in advance electronically at the address www.mogroup.com/agm. In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, and/or in person during the Annual General Meeting, the most recent voting instruction or vote will be taken into account.

Matters to be resolved on at Metso Outotec Corporation’s Annual General Meeting 2023:

Agenda items 7 to 20 cover proposals of the Shareholders’ Nomination Board and the Board of Directors of Metso Outotec Corporation to the Annual General Meeting in accordance with the notice of the meeting. “Abstain from voting” means giving an empty vote, in which case the shares are taken into account as shares represented in the handling of the agenda item, which has an impact with respect to resolutions requiring a qualified majority (e.g. agenda items 16 to 19). With respect to resolutions requiring a qualified majority, all shares represented at the Annual General Meeting are taken into account. Therefore, abstaining from voting has an impact on the outcome of the vote. Shareholders should be aware of this fact, especially if their intention is not to vote against the proposal.
